RE: FOIA Case No. 2019-FPRO-01208

Dear Mr. Moore:

This concerns your request for records dated July 25, 2019 and assigned case no. 2019-FPRO-01028. Specifically you requested:

Letters from the Albany USPS District with the address of "440 East Genesee St. Syracuse" or "440 E. Genesee St. Syracuse" in body of the letter from the years 1990 -2000.

We have interpreted your requested as for the same records you previously requested, "fit for duty exam letters". We previously informed you that we do not intend to respond to any subsequent requests for fit for duty exam and/or records. As such, case no. 2019-FPRO-01028 was not processed and has been closed.

Sincerely,

A handwritten signature in black ink, appearing to read "Robin Sherwood" with a stylized flourish at the end.

Government Information Specialist
